Part 2: USDA Adult Food Security Module 10 item questions

Respondents were asked 10 questions to which they could respond with "always true," "sometimes true," "never true" "yes" and "no".

1. We worried whether our food would run out before we got money to buy more in the last 12 months
2. The food that we bought just didn't last, and we didn't have money to get more in the last 12 months
3. We couldn't afford to eat balanced meals (containing fish, meat, milk, and fruits) in the last 12 months
4. In the last 12 months, did you or other adults in your household ever cut the size of your meals or skip meals because there wasn't enough money for food?
 - If your answer to question 4 is yes, how often did this happen? Skip if the response to question 4 is No
5. In the last 12 months, did you ever eat less than you felt you should because there wasn't enough money for food?
6. In the last 12 months, were you ever hungry but didn't eat because there wasn't enough money for food?
7. In the last 12 months, did you lose weight because there wasn't enough money for food?
8. In the last 12 months, did you or other adults in your household not eat for a whole day because there wasn't enough money for food?
 - If your answer to question 8 is yes, how often did this happen? Skip if the answer to question 9 is No
9. In the past 12 months, have you received any food assistance from friends and families, neighbors, or organization?
10. If question 11 is yes, how often do you receive food assistance?

Comments:
